

2010 **KIDS CUP** Redfish Tournament

Redfish Tracking Project

SPONSORSHIP INFORMATION

This will be the seventh year of the **Water LIFE Magazine Kids Cup** redfish tournament at Punta Gorda and we are again working with Mote Marine and Sea Grant on our junior angler redfish tagging and tracking program.

The Kids Cup Tournament raises money to pay for the Don Ball School of Fishing – a program we run for seventh grade students in 5 area middle schools. To date, over 750 local children have graduated our program. Students receive good rods, reels, tackle and tackle bags along with our detailed student resource manual which highlights local fishing and the local environment. Money raised through the Kids Cup funds this program 100%

As our way of saying thank you for your support **we promote your businesses in our MONTHLY PUBLICATION WATER LIFE magazine, and on the INTERNET and your 4-color ad will appear in the official KIDS CUP PROGRAM** published and circulated in May.

And we will hang your BANNER at the 2010 Kids Cup Event at Fishermen’s Village.

Your donation to the Don Ball School of Fishing will help our young anglers learn more about the fish they are catching and about the environment they fish in.

There are several levels of sponsorship, each with individual benefits.
